

## Limited Warranty

Wadsworth Controls warrants that products of its own manufacture are free from defects of material and workmanship at the time of shipment by Wadsworth Controls. Wadsworth Controls extends no warranty of any kind on part or components purchased by Wadsworth Controls and any warranty on such parts or components is limited to the warranty granted by the original manufacturer or supplier thereof, if any. This warranty does not extend to goods subjected to misuse, neglect, accident, improper installation or alteration. This warranty is in lieu of any and all warranties under the Uniform Commercial Code relating to implied warranties of Merchantability and Fitness For A Particular Purpose and in lieu of all other warranties, express or implied, except as to title. There are no warranties which extend beyond the description on the face thereof. The warranty expressed herein may be amended only by written instrument signed by an officer of Wadsworth Controls. The sole liability of Wadsworth Controls under this warranty is limited to replacing, repairing or issuing credit (at Wadsworth Controls discretion) for any products, which are returned to Wadsworth Controls by Buyer during the warranty period. Wadsworth Controls obligation shall be additionally conditioned upon (a) Wadsworth Controls being promptly notified in writing upon discovery of such defects by Buyer, (b) the product being returned to Wadsworth Controls, transportation charges prepaid by Buyer, within 12 months from the date of shipment from Wadsworth Controls, and (c) Wadsworth Controls examination of such unit disclosing, to Wadsworth Controls satisfaction, that any defect has not been caused by misuse, neglect, improper installation, repair, alteration or accident.

CONTINGENCIES: Wadsworth shall not be responsible for any failure to perform due to causes beyond its control. These causes shall include, but not be restricted to, fire, storm, flood, earthquake, explosion, accident, acts of the public enemy, war, rebellion, insurrection, sabotage, delays in transportation, inability to secure raw materials or machinery for the manufacturer of its devices, acts of GOD, acts of Federal Government, or any agency thereof, acts of any state or local government, or agency thereof, judicial action, and strikes.

### **Attention**

**Our environmental control systems allow for input from a fire alarm sensor. Depending on the settings, the system may operate equipment in a specific manner unless the equipment is placed in the manual. If placed in manual, the system will not control the equipment.**

**Controls may also malfunction if damaged by fire or other circumstances outside the control of the manufacturer. The system is not designed to be used as a fire suppressant or fire control mechanism.**
